EXPLANATION OF SCHOLARSHIP PROCESS

- 1) All Scholarship Applications MUST BE complete and submitted to:
Santa Rosa Junior Hockey Club - ATTN: PRESIDENT
c/o Redwood Empire Ice Arena
1667 West Steele Lane
Santa Rosa CA 95403
Applications must be postmarked by the date indicated above in order to be considered.
- 2) All Scholarship Applications must include ALL of the REQUIRED INFORMATION outlined above.
Failure to include any of these items will result in disqualification of the applicant from consideration.
- 3) Weight is given to those applications showing a compelling current event that resulted in the need for scholarship consideration.
- 4) GPA's below 2.30 are considered a disqualifying element for scholarship consideration. However, consideration will be given to an individual who may have a diagnosed learning disability.
- 5) The participation of the player in volunteering and/or working in order to earn money for their hockey fees is an important consideration. However, the Scholarship Committee understands this isn't always possible for a variety of reasons (age, school, etc.), so we allow for an explanation if there is no volunteering/work and consideration for parental volunteer commitments within their club or organization.
- 6) The Scholarship Committee believes all applications should be given equal consideration. Therefore, applications will be reviewed as submitted. Requests for additional information will only be made in rare cases, since this would give some applicants time to strengthen their application and other would not be given that same opportunity.
